Mr. Hearing Examiner,

ORS requests the hearing scheduled in this matter for Wednesday, September 10, be postponed. The Applicant indicated in our prehearing conference that a Second Amended Application would be filed promptly. No filing has been made. As the current Amended Application stands, there is inaccurate/insufficient information included, as detailed by the Applicant in the prehearing conference. As of today's date, ORS is not aware of the current insurance status or equipment status. Furthermore, the Applicant has not contacted Mr. Parker to schedule a follow up visit/inspection. The last inspection Mr. Parker had scheduled with the Applicant, the Applicant did not appear at the agreed upon meeting location. As you are aware, there has been no Notice of Appearance filed in this matter.

Since there are only four business days prior to the scheduled hearing, ORS considers it highly unlikely that these deficiencies can be resolved prior to the hearing.

Out of consideration for judicial economy, ORS recommends the Commission postpone the hearing in this matter until such time that the Applicant can demonstrate at a prehearing conference that he is prepared to move forward with a hearing.

Kindest Regards,
Lessie Hammonds

Mr. Hearing Examiner,

As of today's date there is no Notice of Appearance posted on DMS, nor has ORS received an NOA for this matter. Additionally, George Parker has not been contacted by Mr. Bright to schedule a follow up visit/inspection of equipment, nor has ORS received a Second Amended Application that ORS understood would be filed. At the prehearing conference, the applicant indicated that ORS would receive an updated inventory list and quote for insurance. We have not received either.

Thank you,
Lessie Hammonds

Parties,

I have included everyone for whom I have contact information on this email. Please note I do not have contact information for Mr. Bright's attorney and would greatly appreciate if one of the parties would forward this email to him. I have not yet seen a Notice of Appearance filed for the Applicant's counsel in this docket. I would remind the parties that we are now at six working days until the scheduled hearing and would ask for a general status update from the parties at this time regarding compliance with Commission Regulations and requests of the Office of Regulatory Staff.

Thank you,

David Stark
Hearing Examiner

Subject: RE: Prehearing Conference for 2:00

Parties,

I will be prepared to conduct the originally scheduled prehearing conference at 2:00pm. Please advise me of any changes or modifications to the schedule or attendees. My understanding, currently, is that Mr. Bright will not be accompanied his retained counsel. While I strongly encourage Mr. Bright to conduct all aspects of this action through his attorney, I will still conduct the conference.

Regards,

David Stark

Subject: Prehearing Conference for 2:00

Hearing Examiner Stark,

ORS has attempted to contact Mr. Bright to no avail. Our understanding is that he is meeting with an attorney this morning. Since we cannot reach Mr. Bright and the prehearing conference has not been continued, we will plan to attend at 2:00pm.

Thank you,
Lessie Hammonds
